THE UPDATE

CARING FOR OTHERS IN THEIR TIME OF NEED

Cabrini Cares faculty service volunteers at the Ronald McDonald House were Jen Cabrera, Paul Distler, Caitlin Duplantier, Kasey Laird '08 and Mary Cordero.

Cabrini High School faculty members prepared and served dinners for the residents of Ronald McDonald House representing the Cabrini Cares service program.

Cabrini faculty members Mary Cordeiro, Caitlin Duplantier, Kasey Laird '08, Paul Distler, and Jen Cabrera, donated the food and their time to support the families at the New Orleans' Ronald McDonald House and ensure they were properly fed and nourished.

The group prepared, served, and cleaned up after the families of cancer-stricken children who reside at Ronald McDonald House while their children receive cancer treatment. The Cabrini faculty members worked to create a well-balanced meal and to lessen the burden of those families struggling who often lack the time or resources to cook.

Just in case you missed it last week *A New MSC Video...Makes its Debut*

MISSIONARY SISTERS
of the SACRED HEART of JESUS
Bringing Christ's love to the world

Since the launch of the new Mother Cabrini website in February of 2015, the MSC Communications Office, in tandem with the Stella Maris Province Vocation Promotion Team, has been working on the production of new promotional materials that compliment the graphic design and messaging of the updated province website.

Thanks to this collaborative effort, a new brochure, designed to reflect the colors and style of the www.mothercabrini.org website are in the process of delivery this week.

Additionally, a brief video, intended as a compliment to the printed materials, providing a comprehensive overview of the life and ministries of the Missionary Sisters, has been produced and is now featured on the MSC website and on social media.

We have linked the video for download so that Missionary Sisters and all Cabrini ministries are invited to use the video for occasions such as new employee orientations; student recruitment fairs; opening reflections at board and staff meetings; introductory protocols at special events and, most certainly, as a way of inviting young women to consider their life's vocation as a Missionary Sister of the Sacred Heart of Jesus.

Special thanks to Gina Scarpello, Director of Cabrini Mission Corps, and CMC missionary Ashley Block for lending their video and photographic talent and expertise to make the video a reality.

Dear Dr. Taylor,

I was delighted to learn that Cabrini College will officially become Cabrini University effective July 1, 2016. Congratulations on this accomplishment!

I commend you and your administration and staff for the work that has been done over the years in expanding Cabrini's various programs, for its outreach to international students and for making Cabrini education accessible to all learners since its founding in 1957 by the Missionary Sisters of the Sacred Heart of Jesus. Keep up the good work in motivating students to be successful in all that they do.

Be assured that you and all those associated with Cabrini are remembered in my prayers. May God continue to bless all of you with His choicest blessings for many years to come.

With best wishes for the continued success of all your endeavors, I am

Sincerely yours in Christ,

One Minute Meditation Make This a Time for Peace

That clanging sound you heard this week is the gate of the Easter season swinging shut behind us. We're now back in Ordinary Time, which can be a little disorienting. If Advent is about waiting, Lent about repenting, and Easter about rejoicing, then what is the rest of the Church year about? Ordinary time is the "green" season, and green means life in nature and in liturgy. We dedicate 34 weeks of the year to the wide-open possibilities of living and growing in grace, a time of hope and holiness. Cultivate peace wherever you are. ~ Take Five for Faith

Adding Further Beauty to Holy Ground

Preparing the soil and digging large holes to receive a variety of shrubs was the charge of the crew outside the Holy Spirit Library.

Since his arrival, Cabrini College President Dr. Donald Taylor has inaugurated the tradition of spring and fall Campus Beautification Days. This week, faculty and staff fanned out across campus to plant shrubs and colorful annuals and perennials in anticipation of the College's Commencement this weekend. This year's class will be the last to graduate from Cabrini College, which will become a university on July 1, 2016.

Planting colorful annuals at the front entrance of the College was the task of this team of faculty and staff.

Keeping Their Cabrini Connections Alive and Well

Gathered this year are front row from left: Dr. Maggie McGuinness; Sr. Christine Marie Baltas, MSC; Nancy Gorevin Costello; Dr. Adeline Bethany; Dr. Sharon Schwarze, and Zita Derham. **Middle row**, from left: Mary Budzilowicz; Helen Goodwin; Dr. Mary Ann Biller-Fischetti; Ruby Remley; Carol Serotta and Cathy Yungmann. **Back row** from left: Dr. Marge Reher; Dr. Candi Corbin-Sicoli and Ann Servey.
